

The esteemed Micro and Small Enterprises (MSE) business partners of BPCL may utilise Trades Receivable Discounting System (TReDS) platform which is an online electronic institutional mechanism, for facilitating the financing of trade receivables through multiple financiers. The TReDS Platform will enable discounting of invoices/bills of exchange of MSEs Sellers through an auction mechanism, to ensure prompt realization of trade receivables at competitive market rates.

At present BPCL has tie-up with the following three entities which provide TReDS facility to MSEs:

1. M/s Receivable Exchange of India (RXIL)
2. M/s A.TREDS (Invoicemart)
3. M/s M1xchange

MSEs are requested to kindly register with any of the above service providers for TReDS at the earliest and avail benefit of early payment.
